Family Day

“A Day to Eat Dinner with Your Children”

Monday, September 24, 2018

Good food, great conversations and loads of laughs---that's what family dinners are made of. If busy schedules are making it hard for your family to pencil in regular family meals, take a “time out” to consider all the benefits of gathering around the dinner table. Family dinners are about more than just sharing a meal.

This is a national effort to promote parental engagement, through family dinners, as an effective way to reduce substance abuse among children and teens. Family Day is celebrated, annually, on the fourth Monday in September. Research by The National Center on Addiction and Substance Abuse [CASA] at Columbia University consistently finds that the more often children eat dinner with their families the less likely they are to smoke, drink or use drugs.

The Cheektowaga Alliance for Healthy Communities Healthy Youth encourages you to begin making family dinners a regular feature of your daily routine!

Catholic Charities empowers youth, supports families & strengthens relationships.

Do you know a young person who would benefit from expanding their skills to become an independent and responsible adult? Or do you know of a youth and family experiencing the impact of a loss, transition or crisis? Catholic Charities School Intervention Service (SIS) may be able to help.

With funding assistance from the Town of Cheektowaga Youth and Recreational Services and NYS Office of Children and Family Services, Catholic Charities of Buffalo, N.Y. provides counseling and wellness programs for Town of Cheektowaga students and their families. Catholic Charities of Buffalo's SIS program is grounded in the belief that the best chance for youth's success involves attaining both internal and external developmental assets. This service is available free of charge to youth and families in the Cheektowaga, Sloan and Depew school districts. In collaboration with their family, school and counselor, youth are empowered to demonstrate more autonomy and responsibility, families receive support, and relationships grow stronger.

Catholic Charities counselors help youth, adults and families with day-to-day challenges and serious concerns by helping to pinpoint the problem and use their strengths to select a solution that best fits their unique situation. SIS helps youth strengthen their assets/skills and develop their resiliency to overcome challenges with school. These challenges can include a decline

in grades, truancy, discipline problems, being older than their classmates, leaving school before graduating, difficulties with peer or authority relationships, and adjustment to transitions in their lives.

SIS counselors include NYS Licensed Social Workers who are certified in Child and Adolescent Trauma Treatment. Our counselors focus on solutions and strengths to help youth and families find their own direction.

Located at 3719 Union Rd., Cheektowaga, Catholic Charities of Buffalo offers services Monday-Friday, 8:45 am to 4:45pm with select evening hours. All services are provided by appointment so that families will know what specific documentation will be required for them to receive the right service for their situation.

Catholic Charities empowers children, families and seniors to achieve meaningful, healthy and productive lives. In all situations, we deliver support to meet immediate needs, and then address other needs to achieve long-term success. We are the most comprehensive human service provider serving more than 130,000 people in all eight counties of Western New York, with 70 programs and 61 locations.
