

## Y.E.S. Information & Events

### Y.E.S. (Youth Engaged In Service)

Volunteer work can and will give you a good feeling. By taking time to do good deeds for others, you will not only have self-gratification, but it will be advantageous for you in the future. Is the future too much down the road for you to worry about? That's okay, because being a Y.E.S. volunteer has immediate results too; you meet new people, make new friends and have a good time while doing it!

If you are interested in socializing with residents of nursing homes or doing crafts with little kids or interacting with the physically disabled, then you will like Y.E.S.! Our bi-monthly newsletter will outline all of our activities/dates/times from which you can make your selection! If you are between the ages of 12-18, then we invite you to call the Y.E.S. office at 897-7207 ext. 6655 to register for the next Y.E.S. Orientation Session. Yes, you will positively love it!!!
