

## **How to report your street light is not working**

In order to assist our resident's, expedite concerns with a street light, please call Cheektowaga Highway at 686-3450 or enter the information in the complaint web portal <http://www.everesthosted.net/cheektowagaPortal/Concern.asp>

The information will be reviewed and addressed by the Traffic Maintenance Unit.

Please note that in some cases the lamp pole may not be owned or maintained by the town. We will contact and work with either NYSEG or National Grid to get the issues resolved as quickly as possible.
